About Us

The brand SALSONS is associated with the promoters of the ATLAS Group, one of the leading and distinguished business houses in India for over 60 years and the pioneers of the bicycle industry in the country. Companies under the flagship of ATLAS manufacture and market bicycles, bicycle parts, high precision steel tubes, pharmaceuticals, automotive tyres, agriculture implements, tractor parts and a host of other products, both for Domestic and International Markets, exporting to over 85 countries across the globe. Currently the Group's turnover is in excess of USD 200 Million.

SALSONS' has a knowledgeable team with rich experience and expertise in the automotive industry.

SALSONS is equipped with a state-of-the-art infrastructure and latest technology to satisfy our customers worldwide. Quality is our top most priority and we constantly review our quality process for continuing development and stability.

SALSONS Impex Private Limited

(A Government of India Recognized Export House)
(An ISO 9001:2008 Certified Company)
